Come Let's Pray Together For Guidance, Healing, Peace & Love . . .

Fellow co-laborers of Union Baptist Church, during this time of uncertainty, let us keep the faith – for God has not given us a spirit of fear; but of power and of love and of a sound mind. We are living in unprecedented times and as the body of Christ we have a mandate to continue to trust God; therefore, I am asking that the “Family of Faith” that make up the Union Baptist Church join in round the clock prayer focusing on the following concerning COVID-19 (coronavirus):

(1) those who have been infected with COVID-19 and/or facing quarantine, (2) those who are at a higher risk of developing the disease, (3) the medical professionals, caregivers and researchers responsible for fighting the virus, (4) the leaders of government responsible for making decisions about the virus, (5) the families adjusting to new ways of life, (6) business owners and families facing financial stress, (7) grocery store workers and delivery drivers, and (8) for the disease to stop spreading.

The threats of this world are real and so is COVID-19; however, if we humble ourselves before Almighty God, seek Him for healing, and repent, He will heal our land. For the earth is the Lord and the fullness thereof and they that dwell therein. Please be in prayer daily for the COVID-19 concerns and watch God work!
